Dear students of Wittenborg University,

You've just moved to Apeldoorn to study at an international school. Coming from abroad to a new country is an interesting change in your life. In Apeldoorn you'll find a lot of possibilities to find your way. Through this letter we want to make things easier to offer you a free membership of Gigant: The theatre for art house cinema and popular culture.

In Gigant you can see the quality cinema from all over the World. We've got 3 cinema halls, so every night there's something that you will like. In the weekends you can also visit performances of national and international artists ranging from popular, dance, world and classical music. Groups like U2, Nirvana and the Simple Minds performed in our venue.

The benefits of the membership are discounts, special viewings and the monthly agenda in your postbox. Usually a membership is € 15,00 per season, but students at Wittenborg can get one for free. The only thing you have to do is send an email to pr@gigant.nl. If you give your name and address and mention this special offer, you'll get your membership card as soon as possible.

We're looking forward to see you in Gigant!

Sincerely yours,

Martijn van Duivenboden
